

Latrobe Park

ANGUS STUD

2016 ANNUAL BULL SALE

Ardrossan Equator A241

Ardrossan Apollo F160

Latrobe Park Angus have a select group of 25 HBR bulls for sale by private treaty.

This year's bulls have been sired by Latrobe Park owned **Ardrossan Equator G322** (son of Ardrossan Equator A241), in addition to **Ardrossan Equator A241** and **Ardrossan Apollo F160**.

This year's line up represents Latrobe Park's extensive research to ensure 100% confidence in the genetic composition of each bull. The 2016 bulls on offer are of moderate frame, well muscled, excellent temperament, and structural soundness and performance.

For further information, including sire lines, pedigrees, and EBV's, please contact

Laurie on **0400 671 765** or visit our website **www.latrobeparkangus.com.au**
